

Board Leadership Development Workshop

LEARN HOW TO BE AN EVEN MORE EFFECTIVE BOARD OF DIRECTORS.

Education for homeowner leaders just got better. The new CAI Board Leadership Development Workshop teaches you how to communicate with association residents, hire qualified managers and service providers, develop enforceable rules, interpret governing documents and more. It provides a comprehensive look at the roles and responsibilities of community association leaders and conveys information to help create and maintain the kind of community people want to call home.

Community association board members and volunteer leaders step up to take on positions of service and responsibility. They're expected to anticipate issues, solve problems, meet the expectations of their residents and protect property values.

The workshop will teach you how to become a more successful board member and how you can recruit and support new volunteers. You'll learn the role of the board, the president and other leadership positions, and you'll identify effective ways to work with professional managers and service providers.

The workshop consists of five modules:

- Module 1: Governing Documents and Roles & Responsibilities
- Module 2: Communications, Meetings and Volunteerism
- Module 3: Fundamentals of Financial Management
- Module 4: Professional Advisors and Service Providers
- Module 5: Association Rules and Conflict Resolution
